## Day 8 | Victoria Falls – Design Your Day

Begin with a guided morning walk of breathtaking Victoria Falls, one of the world's greatest natural wonders. See rainbows and clouds of spray as the mile-wide Upper Zambezi plummets into the Lower Zambezi. In 1855, famed Scottish explorer David Livingstone named the falls in honor of his queen, but its unrestrained mist gave rise to the much older Kololo name of Mosi-oa-Tunya (The Smoke that Thunders). Afterward, enjoy one of these Design Your Day activities. Experience an interactive animal adventure as you privately visit an elephant sanctuary to meet the gentle giants living there. Watch them up close as they eat and socialize during a hands-on encounter led by a naturalist. Before your farewell dinner, a special guest speaker shares tales of celebrated explorer David Livingstone — an A&K-exclusive experience.

- Privately Bike the Area, cycling the town of Victoria Falls and stopping at scenic viewpoints along the way.
- Tour the Victoria Falls Wildlife Trust Headquarters and learn about their clinic, rehabilitation center and ongoing research.
- Meet with a Member of the Monde Community for a tour of a local homestead and visit their community school, supported by A&K Philanthropy.
